All Saints: an invitation to gratitude and generosity

Our God is an abundant, generous heavenly Father!

As we grow in our awareness and experience of that amazing truth, so we grow as grateful, generous people and as a grateful, generous church.

This autumn we invite All Saints of all ages to grow in that awareness as we talk about money and resources ...

During October ...

- our sermons at 10:45 are about understanding money as a resource in God's good purposes
- there will be an opportunity to discuss a question about money during hospitality after 10:45 services
- we ask every household to reflect on all that God gives us and how that moves us to respond: in gratitude and generosity
- decide how much you can give to support ministry at All Saints for the coming year
- bring a confidential response form with that information to any service on All Saints Sunday, 3rd November, so we can offer them to God together as an act of worship (or email the electronic version to our Treasurer if you cannot attend). Our Treasurer is the only person who will see the form.

We invite you to join in this stewardship initiative that is similar to those of many other churches in our Diocese. All the documents are available on the Giving section of our Church website

If you have questions, comments or ideas about our church's finances or this stewardship scheme, please do contact us.

Thank you so much for all the different ways you contribute to the life of our Church, including your financial giving.

Best wishes,
